Hi Audrie!

It is power washed once a month. I'll see if we can get someone over there to maybe do a spot wash and I'll let you know. I'll let you know about that.

As for art, we started the conversation and I think we can make it happen. I will know in a little bit. We had a long meeting and had a few pressing matters, so we didn't really get to get into details. I'll also keep you posted on this!

Have a wonderful evening!

Subject: sidewalk on Schrader

Hello Rich! Happy Monday to ya!

One of our members asked if it would be possible to have the sidewalks hosed down on our Schrader side, where you trimmed the trees? Over time, it has begun to stink along this corridor. Is this something the BID can take on for us?

I hope all is well. What did the HAC say about possibly having some art at our comedy event....?

Thanks!
